Figure 1 consists of 12 scatter plots, labeled (a) through (l), arranged in a 4x3 grid. Each plot shows the relationship between the 'Number of children' (x-axis, 0 to 10) and the 'Number of children not in household' (y-axis, 0 to 10). The plots include various statistical data points, regression lines, and other graphical elements. The plots are labeled (a) through (l) and include various statistical data points and regression lines.
